

Australian Excellence Awards

Congratulations to the team at The Lavender Room SA

1 of only 3 runner-ups in the Australian Customer Service Excellence Awards for 2011
from a strong field of 40 National finalists.

This Award recognises their commitment to delivering service of the highest quality for
its customers, trade suppliers and business associates.

The Australian Excellence Awards are a nationally recognised and self-funded Business
Awards Program. In the current program year, there have been a large number of new
business entrants from across the country; the latest Award Winners are among an
esteemed group who have demonstrated the core values of excellence in business
enterprise, customer service and e-commerce.

Well done to the whole team for their participation and support of the Awards Program in
2011.

Well done!
